G-MB - 372/63
13 June 1963

MEMORANDUM FOR: Chief, Military Division, OGI

ATTENTION: [REDACTED]

FROM: Chief, CIA/PID (BRIC)

SUBJECT: Area Studies, Cuba

REFERENCE: Requirement No. OGI/32/63 (Project No. C 782-63)

1. In response to Requirement No. OGI/32/63 (C 782-63), a study was made of [REDACTED] Missions flown [REDACTED] to select the best coverage of the military installations at Holguin and Remedios, Cuba.

2. Aerial photography from [REDACTED] provided the best coverage of the vehicle park and military camp respectively at Holguin and [REDACTED] offered the most complete coverage of the entire military installation at Remedios.

3. Forwarded for your retention on 7 June 1963 were 270 selected contact prints from the aforementioned [REDACTED] Missions, which provide the best coverage of the military installations of interest.

4. The photo analysis on this project was performed by [REDACTED] CIA/PID/CMB (BRIC), who may be contacted on [REDACTED] for any additional information.
